

Welcome to Class 1 Year 1 Hedgehogs!

Welcome back to our final half term of this academic year. We hope you have all had time to relax and see family and friends. Be prepared for some very royal children as we learn all about the Royal family and enjoy a banquet!

Who will be joining us?

Each day, we will be joined by Mrs Watson in Class 1. Every Wednesday afternoon, Mrs Marjoram will be teaching Class 1 about Our World. Mr Buttery will be teaching PE.

What will you need?

- A labelled water bottle
- Dressed ready for PE on a Tuesday and Wednesday (EYFS). Year 1 will require their PE kits to be kept in school. (They will go home each Wednesday to be washed and should be returned the following Monday.)
- Sun hat /Sun cream (All day cream to be placed on your child before school)
- Wellington Boots
- Show and Tell - Monday
- Sharing assemblies - Friday

How can you help at home?

- ❖ **Reading-** Please encourage your child to read their home school reading book. This should be for no longer than 5 minutes each evening. After reading please record this in your child's planner. This could just be a well done and the page your child will be on next.
- ❖ **Phonics-** A phonics task will be given once a week linking to the sounds/words we are focusing on in class. Phonics homework and the flashcard pack will be given out each Friday and should be returned the following Thursday.
- ❖ **Homework book-** Your child will be provided with a "Homework Book". This half term, there will be a grid of tasks linking to the topic "The Royals" covering a range of curricular areas. Each week, your child should try to do one task from the grid and return it to school by the following Thursday to be marked. **Compulsory activities are highlighted in purple and should be handed in on the date specified.**
- ❖ **Numbots and TT Rockstars** - Please encourage your child to go on Numbots and enjoy learning all about numbers. Year 1 children can also access set times tables on TT Rockstars.

Topic: The Royals!

Year 1 Learning Tree - Summer 2

Science Materials:

Identify and compare the suitability of a variety of materials for particular purposes.
Find out how the shapes of some solid objects can be changed by squashing, bending, twisting and stretching.

Bookshelf
