

Welcome to Class 4 Foxes

Welcome back to our last half term of the school year.

As always, this half term is a busy one but with lots of exciting events to enjoy: bikeability (Year 5), Playground Proms, our Key Stage 2 play and a whole range of sporting activities!

Class 4 Weekly Summer Timetable

	8:50	9:00	10:15 10:30	10:30 10:45	10:45	12:00 - 1:00	1:00 1:10	1:10	3:05

How can we help at home?

By the end of the school year, Year 4 children are required to know all of their times tables in order to be 'expected' standard in their learning. The Year 5 children have soared in their maths learning this year due to knowing these so fluently. Please help your child to practise those trickier times tables:

7 X 8 6 X 8 9 X 7 6 X 7 9 X 8 12 X 7 12 X 8 12 X 9 11 X 12

Topic : Sustainability

Students

Science

Electricity is our topic this half term. Firstly, we will identify common appliances that run on electricity. We will construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers. We'll investigate conductors and insulators of electricity too.

Religious Education

Key question: **What can we learn from religions about deciding what is wrong or right?**

Art & Design Technology:

We will create agamographs (a type of optical illusion art).

English

We will be writing:

- 1, Diary entries
- 2, News reports
- 3, Poetry

Computing

This half term, we will be practising coding using Purple Mash.

Geography:

We will be focusing on the needs of a settlement, and the needs of the planet as a whole. We will find out where resources (such as power and food) come from, and look at ways in which natural resources can be conserved. We will think about carbon footprint and consider how actions impact on others around the world.

Bookshelf

PSHE

Our focus in PSHE this half term is **Growing and Changing**. We will focus on emotions and managing our feelings. We will also focus on **relationship education**.

French

Y4 Quel temps fait-il?

(What's the weather like?)

Our main focus will be to recognise weather expressions and say what the weather is like.

Y5 Les Planetes

(The planets)

Our main focus will be to learn the names of and describe the planets in French.

Maths

This half term, we will be primarily focusing on our multiplying and dividing skills.

In addition to this, we will work more on squared, cubed and prime numbers.

P.E

Athletics and games will continue to be our focus for Summer 2.

Super Start:- Sustainability-themed art

Fabulous Finish : Phunky Foods
