

Class 4 Homework Summer Term (2nd half) Purple task = to be completed. White task = optional.

Weekly activities: Spelling activities, independent reading (each night recorded in planners), and practise multiplication tables in random order and at speed. Year Fives also have a weekly maths activity.

<p><u>Geography sustainability art topic link</u></p> <p>Many environmental artists (such as Andy Goldsworthy) embrace a 'leave no trace' attitude to their work. They try to create art that does not generate waste.</p> <p>Create a piece of natural art. You could use leaves, twigs, sand, grass or anything else that you find in nature.</p> <p>(To be completed by Wednesday 19th June)</p>	<p><u>Science electricity topic link</u></p> <p>Make a list of a selection of objects that you can see in a room. Separate these objects into conductors and insulators. Explain how you know if a material is a conductor or an insulator.</p>	<p><u>Geography sustainability comprehension activity</u></p>  <p>(Worksheet. Choose 1, 2 or 3 star version.)</p> <p>(To be completed by Wednesday 12th June)</p>
<p><u>50 things to do before you're 11 ¾ National Trust</u></p>  <p>No. 33 Go cloud watching ></p> <p>There's lots you can learn from looking at the clouds. Choose a comfortable spot on a summer's day, lie back and start watching.</p>	<p><u>Family activity</u></p> <p>Watch a family film that has an environmental theme. Discuss any environmental messages behind it. For example, Walle-E, Arctic Tale or Ice Age.</p>	<p><u>French</u></p> <p>Use the song for help with our current French topic: the weather.</p> <p>KS2 MFL: 'The Weather' in French with Rhys Stephenson</p> <p>https://www.bbc.co.uk/teach/supermovers/ks2-mfl-french-talking-about-the-weather-rhys-stephenson/zwxwqfr</p>
