

Results 2023/24

We are very proud to be able to share with you our end of key stage data for the academic year 2023-24. Our children have achieved wonderful results throughout school.

In recent years, Governmental changes have resulted in heightened expectations throughout all primary schools. Elvington's staff team have worked incredibly hard to quickly adapt to such changes and to ensure we always uphold the highest of expectations. As a result of continual hard work and relentless improvement, our children have achieved exceptionally high standards (despite the challenges of the COVID-19 pandemic). The aforementioned is especially evident in the individual progress children in Year 6 made from their relative starting points.

We are very proud that a high proportion of our children attain significantly above national comparisons, not only to attain the expected standard, but go beyond this to achieve greater depth. This represents many years of hard work and dedication from the beginning of Early Years to Year 6.

Huge thanks to the children, parents/carers and staff on an incredible set of results.

Yours sincerely,

Mr. Andrew Buttery

EYFS:

73% of pupils achieved a good level of development in 2024 (Local Authority 69.6% 2024) and national 67.7% 2024) **+5%** when compared to national

Grammar, punctuation & spelling - achieved standard 78% in 2024 (local 73.5% 2022) and national 72% 2024) **+6%** when compared to national

Reading, writing and maths combined - achieved standard 65.2% in 2024 (local 61.6% 2024) and national 60.5% (2024) **+4.7%** when compared to national.

KS2 progress data is not available for the years 2023/24 and 2024/25 due to the impact of Covid-19 on KS1 prior attainment data - DfE.

* One child who joined Elvington midway through Year 5 (dual placement) did not take the KS2 assessments, however, they are included in all data sets. The aforementioned equates to 4.3%.
