### How can you help at home?

**Reading -** Please encourage your child to tell a story from the pictures within their reading book. This should be for no longer than 5 minutes each evening. After reading, please record this in your child's planner. This could just be a 'well done' and the page your child will be on next.

**Phonics-** A phonics task will be given once a week linking to the sounds/words we are focusing on in class. You will also receive a pack to place your child's flashcards in as they receive a new set each week. Phonics homework and the flashcard pack will be given out each Friday and should be returned a week later.

**Homework book-** Your child will be provided with a "Homework Book". This half term, there will be a grid of tasks linking to the topic "Home Sweet Home" covering a range of curricular areas. Each week, your child should try to do one task from the grid and return it to school by the following Thursday to be marked. *Compulsory activities are highlighted in purple and should be handed in on the date specified.*

**Numbots and TT Rockstars -** Please encourage your child to go on Numbots and enjoy learning all about numbers. Your child will receive a password which will be in your child's planner.

# Toy Story

Bookshelf

## Communication, Language and Literacy

**Description** - Favourite Toy

**Recount** - Forest School - fireworks.
